ZEITZ MUSEUM OF CONTEMPORARY ART AFRICA

Private tour with our art guide

The Zeitz MOCAA in the Silo District at the V&A Waterfront, is a public not-for-profit contemporary art museum which collects, preserves, researches, and exhibits twenty-first century art from Africa and its Diaspora. The impressive re-appropriated silo building was re-imagined into its current form by Heatherwick Studio from London, housing one hundred galleries, and is dedicated to a large cutting edge permanent collection as well as temporary exhibitions.

The tour of the museum will take approximately two hours and our art guide will explain seminal artworks exhibited across the four floors inside the building. The guests will be guided through the themes and mediums explored by some of Africa's leading contemporary artists.

Further contemporary art works in leading galleries at The Waterfront can be visited on request and this will be at an additional cost.
